

Undestructible

Intro	Born to believe In all the millions Hereditary style Taught to ignore What might be feelings A prisoner of the mind
Verse 1	He was tailored for defense He was a man-made man On guard, no one could get in No password in the master plan
Chorus	He had an undestructible An undestructible An undestructible Man-made heart
Verse 2	Lonely, but he never longs In his air-conditioned life He's living, but he's all alone He shows no vital signs
Chorus	He had an understructible An undestructible An undestructible Man-made heart
Music Break Repeat V-1	He was tailored for defense He was a man-made man On guard, no one could get in No password in the master plan
Chorus	He had an understructible An undestructible An undestructible Man-made heart
